Untold Agony from Catarrh.

Prof. W. H. Hause, the famous mesmerist

of Ithaca, N. Y., writes: "I was a great sufferer

from catarrh for twelve years. At first I could

not sleep, and could not eat. My head ached

and split, and for the last eight months could

not breathe through the nose. I thought

nothing could be done for me, until I was advised

to try Dr. Sage's Catarrh Remedy, and

I am now well again. I believe it to be the

only sure remedy for catarrh now manufactured,

and I have only to give it a fair trial to

experience astounding results, and a permanent

cure."
